Term 3, Week 2

PRINCIPAL'S NEWS

Welcome back to Term 3!

Grants

We have been lucky enough to receive 2 grants from the Lantern Club this year! \$5000 for Breakfast Club and another \$7500 for computers! We thank the Lantern Club for their generosity and support of our school.

New Day Plan

Our change of day plan to allow 3 breaks has been working well. We have had far less problems in the playground and shorter sessions have allowed students to be more focussed. Teachers have been helping students select the right food for the right break as well. Let me know if you have any thoughts about the new day plan.

Enrolments for 2020

If you have children who you wish to enrol for preschool or kindergarten next year, please see the office for enrolment forms as soon as possible. We would like these returned as fast as possible so we can look at planning for classes and teachers for next year.

NAIDOC Celebrations

We were lucky enough to have Glen return and work with all students P-6 to share Aboriginal stories and perspectives with our students. Everyone enjoyed themselves during the sessions.

100 days of Kindergarten

Thank you to everyone who came along and celebrated this milestone with Mrs Sardis, Miss Karen and the students. It was a great celebration and a chance to think about how far our Kindy students have come!

Athletics Carnival

We look forward to seeing as many families as possible on Wednesday at Kentucky Reserve. Please bring along a chair (or grab one from school) and blankets as it's still been cold during the day.

After School Programs

These start next week – Week 3. Students who have been selected to participate will receive a note confirming their participation. It has not been possible for all students to participate this time around as we had so many requests.

As always please see me via the office or by email anne.davis8@det.nsw.edu.au or call on 91538757 if you have anything you wish to discuss.

KINDERGARTEN - 100 DAYS!

Congratulations to all our wonderful Kindy students who celebrated 100 days of School last week - such a great start to school!

LEGO CLUB!

Lego Club is starting this week!!!

Tomorrow the Lego Club will be starting at lunchtime and will on each week until the end of the term. We have purchased some really exciting Lego sets that the students will enjoy putting together throughout the term. The students will take on different roles throughout the sessions these being the Architect, Builder and Supplier.

You will receive updates on the building progress in the coming newsletters. If you have any feedback or stories from your children who are in the Lego Club please let me know.
